PROFILE

I am a passionate teacher who has been working as a faculty member of Indian Politics and Indian Economy for UPSC aspirants in different cities for more than two years. Along with teaching, I worked as an academic writer for articles, research papers, essays, etc., for more than 3 years. With a handful of experience in teaching and academics, utilizing the best of my knowledge and understanding, I am exploring opportunities and platforms to guide and mentor students pursuing the highest service for the empowerment of the nation.
